

AUDITORIUM / CONFERENCE ROOMS / THEATERS

MA-X DESIGN MDP®

MA-X is a fully upholstered seat with an elegant design that emphasizes simple geometric shapes. This chair is the perfect solution for auditoriums, convention centers, theaters, corporate halls and higher education centers.

AUDITORIUM / CONFERENCE ROOMS / THEATERS

DESIGN

The design of the MA-X armchair stands out for the alignment of the seat and the continuity of the backrest.

VERSATILITY

MA-X excels for its acoustic performance and for its versatility in adapting to different spaces thanks to the wide range of accessories and finishes. Furthermore, the dimensions of all the components of the chair can be adapted to any need.
